## APPRAISALS OF WORKS OF ART

An appraisal to determine the monetary value of a work of art may be desired by the owner for tax, insurance, or estate purposes. The Chazen Museum of Art is approached occasionally to render appraisals; however, University of Wisconsin policy does not permit this activity by staff members.

While we cannot endorse or recommend the service of an appraiser, we provide this list of local appraisers that are members of the American Society of Appraisers (ASA) [www.appraisers.org](http://www.appraisers.org), Appraisers Association of America (AAA) [www.appraisersassociation.org](http://www.appraisersassociation.org), and/or the International Society of Appraisers (ISA).
